Activities

Power to Pakistan Founder and President | Aspen, CO | 2017-Present

Founded *Power to Pakistan* - a non-profit club that supports educational opportunities for children in rural Pakistan. We fund Moqah Foundation, a Pakistani NPO, to whom we have donated over \$5,000 to educate 25 girls. Recent fundraisers: masks, cookbooks, scarves, panel discussions, and movie screenings. Founded the *Exchange to Change* program as a free, online pen pal exchange between American and Pakistani students; gained support from officials at the U.S. and Pakistan Embassies; received funding to hire a Pakistani web development team to build the platform; currently recruiting schools to join the program.

The Popcycle Founder and CEO | Aspen, CO | May-September, 2019

Managed *The Popcycle* - a fundraising ice cream bike for *Power to Pakistan*; obtained business and sales tax licenses; gained approval from the Health Department; created a wholesale agreement with an ice cream distributor; recorded finances; and raised \$1,400 to educate seven Pakistani girls.

Summer Intern | *Antica Farmacista* | Seattle, WA | July, 2019

Researched and marketed products to social media micro-influencers and corporate buyers at international department stores; completed market research for competing brands; created financial spreadsheets; organized product images online; digitized fragrance formulas.

Future Business Leaders of America Vice President | Aspen, CO | 2017-Present

4x District and State competitor; placed in Electronic Career Portfolio and Business Plan events; facilitate meetings to prepare students for District, State, and National competitions.

Summer Intern | *BioEclipse Therapeutics Inc.* | Palo Alto, CA | August, 2019

Organized company paperwork related to patent filing and Phase I cancer immunotherapy trials; took notes for executives on conference calls; toured future lab facilities.

Model United Nations Participant | Model UN National Conference | New York City, NY | March, 2018

Participated in engaging discussions during the Model United Nations National Conference in New York City; represented Rwanda; tackled issues facing healthcare policy.

Teen Socrates Seminar Participant | The Aspen Institute | Aspen, CO | February, 2019

Participated in a week-long seminar debating topics in literature, philosophy, and modern-day political movements; completed readings and activities each night to actively engage in classroom discussions.

Athletics

Aspen High School Varsity Alpine Ski Team | 2017-Present

Varsity 4 years; 4x State competitor; won State Championships as team '18 and '20; extensive travel and dry-land cross training; slalom and giant slalom specialist; organized team dinners and events.
